SCHEDULE D - INSTRUCTIONS FOR BUSINESS ALLOCATION FORMULA

The business allocation percentage is to be applied by NON-RESIDENT partners to their distributive share of business income if business activity of the partnership is conducted both within and without the City of Battle Creek.

Line 1. Enter in column I the average net book value of all real and tangible personal property owned by the business, regardless of location: and in column II show the average net book value of the real and tangible personal property owned and located or used in the City of Battle Creek. The average net book value of real and tangible personal property may be determined by adding the net book values at the beginning of the year and the net book values at the end of the year and dividing the sum thus obtained by two. Any other method which will accurately reflect the average net book value for the year will also be permitted.

Line 1a. Enter in column I the gross annual rent multiplied by 8 for all rented real property regardless of location. In column II show the gross annual rent multiplied by 8 for rented real property located in the City of Battle Creek. Gross annual rent refers to real property only, rented or leased, and should include the actual sums of money or other consideration payable, directly or indirectly, by the taxpayer for the use or possession of such real property.

Line 2. Enter in column I the total compensation paid to all employees during the year and in column II show the amount of compensation paid to employees for work done or for services performed within the City of Battle Creek during the year.

Line 3. Enter in column I the total gross receipts from all sales made or services rendered during the year and in column II show the amount of gross receipts from sales made or services rendered in the City of Battle Creek during the year.

CITY OF BATTLE CREEK INCOME TAX 2006 PARTNERSHIP RETURN

INSTRUCTIONS FOR FORM BC-1065

WHO MUST FILE A PARTNERSHIP RETURN

Every partnership that conducted business activity in the City of Battle Creek, whether or not an office or place of business was maintained in the city, is required to file an annual return. Syndicates, joint ventures, pools and like organizations will also use Form BC-1065.

ROUNDING TO NEAREST DOLLAR

Round all amounts to the nearest dollar (i.e., \$.00 to \$.49 = \$.00, \$.50 to \$.99 = next dollar).

RENAISSANCE ZONE DEDUCTION

A partnership located and doing business in a Battle Creek Renaissance Zone may be eligible to claim the new Renaissance Zone deduction. This deduction allows the partnership or the partners, if qualified, to deduct the portion of the partnership income earned in a Renaissance Zone from income subject to Battle Creek income tax. A taxpayer is not qualified to claim the deduction if the taxpayer is delinquent for any Michigan or local taxes.

If the partnership elects to pay the tax for the partners, the deduction is claimed on the partnership return. Otherwise, the deduction is passed through to the partners who claim the deduction by filing Schedule RZ with their individual returns. A Battle Creek income tax return must be filed to claim this deduction. Contact the Income Tax Department to request Schedule RZ of BC-1065.

FILING DATE:

Calendar year taxpayers must file by April 30, 2007. Fiscal year taxpayers must file within four (4) months after the end of their fiscal year.

OPTION TO PAY TAX

The 2006 income tax rate is 1% for residents, and 1/2% for nonresidents of the City of Battle Creek.

At its election the partnership may file either an information return or It may compute and pay the tax which is due with respect to each partner's share of the net profits of the business. The partnership may pay the tax for partners only if it pays for ALL partners subject to the tax.

REMITTANCE: Partnerships electing to pay the tax for all partners must remit the tax when filing the return if the tax due is one dollar (\$1.00) or more. MAKE REMITTANCE PAYABLE TO: **CITY TREASURER**

MAILING ADDRESS:

**CITY INCOME TAX DEPARTMENT
P.O. BOX 1982
BATTLE CREEK, MICHIGAN 49016-1982**

PARTNERSHIP AS TAXPAYER If the partnership elects to pay the tax for the partners, the individual partners are not required to file a return if such partners have no other income subject to the tax. However, an individual return shall be required from any partner having taxable income other than his distributive share of the net profits of the partnership. (In such instances, a partner who is required to file an individual return should refer to the instructions for such return.)

If the partnership elects to pay the tax on behalf of the partners, then it assumes the status of a taxpayer to the extent that: (1) timely payment must be made; (2) a 2006 Declaration of Estimated Income Tax, Form BC-1040-ES will be required if the total estimated tax for the partnership is expected to exceed \$100. The calendar or fiscal year of the partnership will govern in establishing the dates for filing the declaration and paying the estimated tax.

INCOME TAXABLE TO RESIDENT vs NONRESIDENT PARTNERS

The Partnership Return Form BC-1065 is designed to distinguish between that income taxed to residents and that taxed to nonresidents. The purpose of the return is to set forth the entire net profit for the period covered and to show the distributive share of each partner, indicating those who are residents of Battle Creek and those who are nonresidents. (If residency changes

during the taxable period for any partner, use two lines to indicate allocation of income by status in all schedules where applicable.)

Schedule C indicates the total Income of the partnership which may be subject to the tax. Ordinary business income in Schedule C is transferred to Schedule E, column 1, showing the amount of ordinary income distributable to each partner. The non-business income portion of Schedule C is first transferred to Schedule B, by total amounts for each type of income, to determine the taxable portion for each class of partners. This taxable income is then transferred to Schedule E showing the amounts applicable to the individual partners. Column 1 on page 1 is the final summary transferred from Schedule E, column 7.

Partners who are RESIDENTS are taxed on their entire distributive share of the net profits of the partnership, including that arising from business activities outside the City and including interest, dividends, rents and royalties, other income, and gains from the sale or exchange of property, either tangible or intangible, regardless of where such property was located.

Partners who are NONRESIDENTS of Battle Creek are taxed on their distributive share of the portion of the net profits which is attributable to business activity in the City, plus net rentals of tangible property in the City and gains from the sale or exchange of tangible property in the City. They are not taxed on their share of net rentals on property outside the City, gains from the sale or exchange of tangible property outside the City, gains from the sale or exchange of securities or other intangible property, or on interest and dividends

When the receipt of interest and other intangible income is directly related to the nature of the business, such interest, etc. shall be considered as business income taxable to nonresidents, and is to be reported in Schedule C, on either line 1 or line 11.

INSTRUCTIONS FOR PAGE 1

The amounts to be inserted in column 1, page 1 are transferred from Schedule E on page 3 of the return. If this return is to be an information return only, the remaining columns 2 through 6 on page 1 need not be filled in; however, if the partnership elects to pay the tax, columns 2 through 6 must also be completed.

Column 2. Any items of income which are non-taxable and which are included in column 1 are to be deducted in column 2. Treatment of capital gains and losses and net operating loss carryovers are to be handled in the same manner as provided in the Federal Internal Revenue Code. The allowable capital loss deduction for each partner is the lesser of (1) the net capital loss (2) the amount in column 1, page 1, computed without regard to capital gains and losses, or (3) \$3,000. A schedule of computations must be attached for all entries in column 2.

Column 3. Exemptions. A \$750 exemption is allowed for each partner his spouse and his or her dependents. Additional exemptions are allowed if the taxpayer or his spouse is 65 or over, or is blind. In general, the same rules apply in determining dependents as under the Federal Internal Revenue Code. A spouse may be taken as an exemption on the partnership return only if such spouse has no income subject to the Battle Creek Income Tax. Exemptions for a partner whose residence status has changed from a resident to a nonresident, or from a nonresident to a resident of Battle Creek during the taxable year should first be applied against income while a resident. The balance of the amount of exemptions, if any, should then be applied to Battle Creek income while a nonresident. A corporation or partnership itself is not allowed an exemption.

Column 6. Enter in column 6 payments made by the partnership for tax paid with a tentative return, or for payments on a 2006 Declaration of Estimated Income Tax, or any payments and credits made by the partnership on behalf of Battle Creek resident partners for income taxes to any other municipality, if the income on which such tax was levied is included in this return. DO NOT take credit for income taxes paid any other municipality on behalf of partners who are not Battle Creek residents. The credit shall be the lesser amount of either (1) the income tax paid the other municipality for Battle Creek resident partners, or (2) 1/2% of an amount obtained by de-

ducting the amount for exemptions claimed for Battle Creek resident partners on page 1, column 3 of this return from the gross amount of income of Battle Creek resident partners subject to tax by such other city.

All credits in column 6 are to be distributed on lines 8a, b and c, and totalled on line 9. The total of line 9 must agree with the total of column 6.

GENERAL INSTRUCTIONS FOR SCHEDULE B, PAGE 3

Schedule B is used to allocate the total non-business income of the partnership between the total amount distributable to resident partners, and the total amount distributable to nonresident partners. Nonresident income is further allocated to compute the total income of nonresident partners which is subject to the Battle Creek tax. (Resident partners are taxed on their entire distributive share of non-business income.) After determining the total taxable income for each class of partners, these totals are transferred to Schedule E wherein an analysis is made to show the amounts of non-business income applicable to the individual partners. Therefore, compute the total amounts of distributable non-business income, by type of income, and enter these amounts on lines 3, 5, 6 and 9 of column 1, Schedule B. Columns 2 and 3, on these lines, will be used to show the total distributable amount for each type of income allocable to resident and nonresident partners. The total of columns 2 and 3 must equal the total of column 1. Column 4 is to be used to report that portion of column 3 (non-business income applicable to nonresident partners) which is excludable as not taxable to nonresidents. Subtract the amount in column 4 from the amount in column 3 and enter the difference in column 5 as taxable to nonresident partners. The totals of columns 4 and 5 must equal the total of column 3.

INTEREST AND DIVIDENDS, LINES 1 THROUGH 3

In column 1, line 1, report the total partnership income from interest and dividends and on line 2, deduct the total nontaxable interest (interest from obligations of the United States, the states or subordinate units of government of the states). The net taxable dividends and interest, reported on line 3, column 1 is to be apportioned between the amount applicable to resident partners (line 3, column 2) and the amount applicable to nonresident partners (line 3, column 3). Since interest and dividend income is not taxable to nonresidents, the entire amount shown on line 3, column 3 will also be inserted on line 3, column 4 as excludable income of nonresidents.

SALE OR EXCHANGE OF PROPERTY, LINES 4 AND 5

Report on line 4, column 1 the total net gain or loss from all sales and exchanges of property as shown in Schedule C, page 2, lines 27 through 30. To arrive at the amount to enter on line 5 of Schedule B first exclude any gain or loss on the sale of obligations of the United States which is included in line 4 of Schedule B. Then enter on line 5 only that portion of the remainder of line 4 which represents gain or loss attributable to the period after July 1, 1967. If the property was acquired prior to July 1, 1967 market values of traded securities as of June 30, 1967 may be used as the cost basis; or the gain or loss applicable to the period after July 1, 1967 may be computed by multiplying the total gain or loss by the ratio of the months the property was held after July 1, 1967 to the total months the property was held. The nonresident excludable portion of the amount shown in column 3, to be entered in column 4, is that of the gain (or loss) which arose from the sale or exchange of intangible assets, and of tangible property located outside of Battle Creek. The remaining portion of line 5, column 3 which is to be entered on line 5, column 5 will then include gain (or loss) attributable to the period after July 1, 1967 from the sale or exchange of tangible property located in Battle Creek.

INCOME FROM OTHER PARTNERSHIPS, ETC. LINES 7 THROUGH 9 RENTS AND ROYALTIES, LINE 6

Report on line 6, column 1, the total net income or loss from all rents and royalties, and then fill in columns 2, 3 and 4. Subtract column 4 (net income or loss from royalties, and rents attributable to property OUTSIDE Battle Creek) from column 3, and enter the difference in column 5.

taxpayers (interest of U.S. and state governmental obligations, etc.) and which was included in the amount on line 7, and enter the net amount on line 9, column 1.

Fill in columns 2, 3 and 4. Subtract column 4 (income not taxable to nonresidents) from column 3, and enter the difference in column 5.

TOTALS, LINE 10

Enter on line 10 the totals of lines 3, 5, 6 and 9 for each column in Schedule B. After transferring the amounts from columns 2 and 5 of Schedule B to Schedule E, where distribution of the total is made to the individual partners the total of column 2 (taxable non-business income of resident partners) must equal the total of column 6a of Schedule E. The total of column 5 must equal the total of column 6b of Schedule E.

INSTRUCTIONS FOR SCHEDULE C

Schedule C is used to indicate all of the income of the partnership which may be subject to the Battle Creek tax. Line 24 of Schedule C will be the total of the partnership's ordinary income from business operations, and lines 25 through 31 of Schedule C will show the total non-business income of the partnership.

Ordinary income from business on line 24 of Schedule C is to be transferred to column 1 of Schedule E. Non-business income on lines 25 through 31 of Schedule C is to be transferred to Schedule B. Instructions for Schedules B and E will indicate how amounts transferred from Schedule C are to be allocated to the individual partners

INSTRUCTIONS FOR SCHEDULE D

See instructions on page 4 of the partnership return.

INSTRUCTIONS FOR SCHEDULE E

The totals of columns 1, 2, 6a and 6b of Schedule E, showing the distribution to individual partners of ordinary and non-business income, must agree with the totals transferred from Schedules B and C. **Column 1.** Enter in column 1 the individual partner's share of business income from Schedule C, line 24. If Sec. 179 depreciation is included in Schedule C, line 17, and if the partners have unequal credits for such additional depreciation (e.g. if one partner is single and one is married filing jointly for Federal income tax purposes), the apportionment of income to partners in this column will require special computation. **Column 7.** Transfer the amount of each individual partner's share shown in column 7. Schedule E to column 1, page 1 of the return.

TAX DUE OR REFUND

If the partnership has elected to pay the tax for the partners and payments and credits exceed the tax due, show the amount of such overpayment on page 1, line 10 and check the proper box on line 12 to indicate whether you wish the overpayment as a refund OR as a credit on your 2007 estimated tax. Refunds will be made as quickly as possible, but please allow 90 days before making any inquiry. Refunds of less than one dollar (\$1.00) will not be made. Tax due of less than one dollar (\$1.00) need not be paid.
